3. NEW BUSINESS

a. Presentation from First Lego League (FLL) Team.

Students from the First Lego League (FLL) Team presented information regarding the hard work they have accomplished in the last few months. The information they included contained their work on their Trash Trek project, the Day of Caring participation, and the survey they took in the community. They also provided information about their participation at the Mohave County Fair, the Best of the West Festival, the Dig it Pumpkin Patch, and the Kingman Academy of Learning MS Spooky Family.

The students came on stage and presented the information in the form of skit for the Clean City Commission. Chairman Bowman asked what area they cleaned up on the Day of Caring. The FLL coordinator, Ms. Lucier, advised the CCC that they cleaned the area around Airway Avenue and the Mohave Wash. She also said that the team was matched with the Kingman High School students as mentors for the day. Chairman Bowman said they did a good job. Mayor Anderson thanked the children and parents for the hard work they have done on the projects in and around the City of Kingman. He wanted them to know he appreciates all they do and thanked them for the presentation.

b. Discussion of Public Service Announcement Regarding Yard Sale Signs.

Staff Liaison Rich Ruggles said the Clean City Commission (CCC) has directed that a public service announcement (PSA) be created to inform the community of city regulations pertaining to the placement and removal of yard sale signs. He said he combined some of his thoughts and those of the CCC with the assistance of Commissioner Resseguie to come up with the following message:

EVERYONE LOVES A GOOD YARD SALE! THEY ARE THE ANSWER TO FINDING LOST TREASURES, CLEAN GARAGES, AND EXTRA CASH. IF YOU ARE PLANNING ON ANNOUNCING YOUR YARD SALE BY PLACING SIGNS AROUND YOUR NEIGHBORHOOD, THIS MESSAGE IS FOR YOU. THE CLEAN CITY COMMISSION WOULD LIKE TO TAKE THIS OPPORTUNITY TO ENCOURAGE EVERYONE TO COMPLY WITH CITY REGULATIONS CONCERNING THE PLACEMENT OF YARD SALE SIGNS. YARD SALE SIGNS SHOULD NOT BE PLACED ON SIDEWALKS, DRIVEWAYS, HANDICAP RAMPS, OR ATTACHED TO STREET SIGNS, LIGHT POLES OR UTILITY BOXES. ALSO, AFTER YOU HAVE COUNTED UP YOUR PROFITS, PLEASE BE A GOOD NEIGHBOR AND PICK UP YOUR YARD SALE SIGN. LET'S KEEP KINGMAN CLEAN, MAKE IT ROUTINE!

The Clean City Commission discussed the PSA. Commissioner Van Hasselt thought the PSA should include where the signs could be placed with the permission of the private property owners. The CCC also discussed who they would send the PSA to in order to publish the information. The hope is that it would be published for free. After some further discussion the CCC agreed to add the following information in red to the PSA:

...YARD SALE SIGNS **MAY BE PLACED ON PRIVATE PROPERTY WITH THE OWNER'S PERMISSION.** SIGNS SHOULD NOT BE PLACED ON SIDEWALKS

Commissioner Carpenter made a MOTION to APPROVE and publish the yard sale public service announcement with the requested change. Vice-Chairman Russell SECONDED and the MOTION PASSED UNANIMOUSLY with a vote of 6-0.

c. CARE Sandbox Meeting Report.

CCC Vice-Chairman Russell reported to the Clean City Commission (CCC) regarding the recent Sandbox Meeting discussions and activities. He said that some of the topics were the Church Conditional Use Permit (CUP) in the entertainment district. He also advised the CCC that the International Mountain Biking has become a big deal in the community. He advised the CCC that they are expanding and had over 150 participants at the last event and had that many spectators supporting the event. They believe these events will be expanding in the future. The CARE Team have some concerns about parking and will be contacting BLM to remove the weeds to make the parking areas better so the participants of the event are not parking on the plants and starting fires from the hot cars on the weeds at the events. Vice-Chairman Russell also reported that Joni Millin is working with BNSF Railroad to get the concrete blocks removed between the Powerhouse and the train museum they hope they are removed soon. They were also updated on the America's Best Communities (ABC) contest.

Commissioner Van Hasselt added that the team is also working on getting permission to paint a residential house on Topeka Street; however they have not been able to contact the owner as of this date.

d. Information on Plastic Bag Ban Legal Challenge.

Staff Liaison Rich Ruggles said that at the last meeting the Clean City Commission (CCC) found a community that is challenging the plastic bag ban that disallows towns and cities from banning or regulating plastic bags in their communities. He found that the Town of Tempe councilwoman has filed a lawsuit arguing that the State of Arizona is violating the constitution that gives charter cities regulation over local matters. The City of Kingman is not a charter city but the other cities like Flagstaff and Tempe that are working on having the law repealed are charter cities. The Town of Bisbee had already banned plastic bags in their community prior to the new law and is grandfathered, so they can continue to ban plastic bags in their community. The CCC discussed the work they had done on this item and the reusable bag promotion they are currently promoting. The CCC would like to continue to follow the legal bag challenge to see the outcome.

Commissioner Ressegue asked about the reusable bags and plastic bags and how this affected the CCC. He indicated he has seen racks full of reusable bags in the stores in the community. Chairman Bowman explained how the CCC was trying to ban the bags when the new law went into place and the reusable bag promotion. He said the biggest issue in the area is plastic bags blowing around the city getting hung up in landscaping and also littering the desert.

Commissioner Hicks said that she had followed up with the Safeway manager and was advised that customers have indicated they have the reusable bags but leave them at home. The manager said Safeway's position is until the plastic bags were banned in the community the reusable bag promotion was redundant and was not effective in the community. Commissioner Hicks said she sent a note to the Safeway Corporate office suggesting they offer some incentives like the Smith's does to encourage customers to use the reusable bags. She also asked the manager for plastic bag usage counts and how much they pay for bags at both the new Safeway and the old Safeway.

Chairman Bowman said he was told that Bashas uses approximately 11 cases of plastic bags per week. Bashas also has the Bag Central Station recycle box in the front of the store. The store manager indicated that they only receive around ten percent of the bags they issue to customers are returned to be recycled.

The CCC discussed how effective the plastic bag recycling has been. Sanitation Supervisor Ed Tapia advised the CCC they have eight drop off locations around the City of Kingman to collect and recycle plastic bags. The department collects them from these sites on a daily basis. He indicated that it takes 60-65 bags to make a pound of plastic bags and they collect 60-70 pounds a day from the recycle sites. He indicated that the numbers do not include the Bag Central Station locations in the supermarkets in the community. He said the American Marketing Association does report how much the stores collect. The CCC discussed if the community was recycling more each year. Mr. Tapia indicated it was an average collection for the community. The CCC discussed the processing of plastic and recycling. They also discussed reusable bags and forgetting the usable bags.

e. Consideration of a Recommendation to the City Council Concerning the Appointment and Reappointment of Commissioners.

Chairman Bowman advised the Clean City Commission that Margie Hicks' and Bill Ressegue's terms on the commission both end on December 31, 2015. Commissioner Carpenter MADE a MOTION to nominate Margie Hicks to serve another term on the Clean City Commission. Commissioner Van Hasselt SECONDED the MOTION PASSED UNANIMOUSLY with a vote of 6-0. Commissioner Hicks said she has to respectfully decline. She indicated that she has a personal issue and will not be able to commit to the CCC this next year.

The CCC discussed giving Commissioner Hicks another month to see if she could reconsider and continue to serve on the CCC. She indicated she was trying to work something out but would still volunteer when she could. Chairman Bowman asked for a motion to hold Commissioner Hicks reappointment decision for a month. Commissioner Van Hasselt made the MOTION to hold Ms. Hicks reappointment for a month. Commissioner Russell SECONDED, and the MOTION PASSED UNANIMOUSLY with a vote of 6-0.

Vice-Chairman Russell asked if Commissioner Ressegue if he would like to continue to serve. Commissioner Ressegue agreed to serve another term. Commissioner Van Hasselt made a MOTION to recommend Commissioner Ressegue to the city council to serve another term. Commissioner Carpenter SECONDED and the MOTION CARRIED UNANIMOUSLY with a vote of 6-0. Chairman Bowman advised Margie Hicks if there was anything the CCC could do to help they would like to keep her as member of the Clean City Commission. Commissioner Hicks thanked them and will try to work something out.

4. OLD BUSINESS

a. Discussion of Distribution of Reusable Bags and Magnets.

Staff Liaison Rich Ruggles passed out a copy of graphic art work that was based on one of the winning student posters from the 2015 recycling contest. He indicated that Signs of Chaos has prepared the graphic which could be printed on our reusable bags. He then asked the CCC if they would consider having the graphic printed on the CCC reusable bags they have on hand. He also said that there is an offer of anonymous donation if the CCC agrees to have the graphic printed the donor would pay the \$1 per bag to have the design printed on the reusable bags in stock.

Mr. Ruggles also asked the Clean City Commission if they would consider making a reusable bag donation to the teachers who had their classes participate in the 2015 America Recycles Day and Poster Contest. Chairman Bowman asked how many bags they currently have in stock. Mr. Ruggles said they have approximately 148 bags left and indicated they were requesting a donation of 34 bags to present to the 34 teachers that participated in the contest.

Commissioner Hicks MADE a MOTION to supply each of the teachers with a reusable bag. Commissioner Carpenter SECONDED and the MOTION PASSED UNANIMOUSLY with a vote of 6-0.

The CCC discussed the graphic and recommended a changing the line "Don't Forget Your Bags" to "Remember Your Bags." Commissioner Van Hasselt MADE a MOTION to approve the graphic and printing on the bags with the recommended change. Commissioner Carpenter SECONDED and the MOTION CARRIED UNANIMOUSLY with a vote of 6-0.

The CCC discussed having this graphic printed on all future reusable bags. The CCC discussed tabling this discussion until 2016 after the holidays. Vice Chairman Russell made a MOTION to table this item until the January meeting. Commissioner Carpenter SECONDED and the MOTION CARRIED UNANIMOUSLY with a vote of 6-0.

Clean City Commission Memorandum

To: Kingman Clean City Commission
From: Rich Ruggles, Staff Liaison
Date: December 17, 2015
Subject: **ITEM #2b: Update on Public Service Announcement Regarding Yard Sale Signs**

At the November 19th CCC meeting the commission reviewed a proposed Public Service Announcement (PSA) that would be distributed in the local media and on the city website to remind people about where the yard sale signs may be placed and the need to pick them up after the sale is over. After making a few changes to the PSA the commission voted to send the information out to the public through the local newspapers and on the city's website.

Since the meeting was held, a flyer was developed. A copy of the flyer is attached. This has been posted on the city's website and was requested to be placed on the cable TV channel as well. Chairman Bowman was going to distribute the flyer to the local newspapers.

The commission will discuss this item and receive any updated information regarding the PSA.

YARD SALE SIGNS

Everyone loves a good yard sale!

They are the answer to finding lost treasures, clean garages and extra cash. If you are planning on announcing your yard sale by placing signs around your neighborhood, this message is for you!

The **Kingman Clean City Commission** would like to take this opportunity to encourage everyone to comply with city regulations concerning the placement of yard sale signs. Signs should only be placed on private property with the property owner's permission. Signs should not be placed on sidewalks, driveways, handicap ramps, or be attached to street signs, light poles or utility boxes.

After you have counted up your profits, please be a good neighbor and pick up your yard sale sign.

Let's Keep Kingman Clean, Make it Routine!

Clean City Commission Memorandum

To: Kingman Clean City Commission
From: Rich Ruggles, Staff Liaison
Date: December 17, 2015
Subject: **ITEM #2d:** Consideration of a Recommendation to the City Council
Concerning the Appointment and Reappointment of Commissioners

The term of commission member Margie Hicks ends on December 31, 2015. Commissioner Hicks is completing her first full term and may be reappointed for a second three-year term. At the last meeting, a decision to consider reappointing Ms. Hicks was put on hold so that she could determine whether or not she wished to be reappointed as she currently has scheduling conflicts.

Commissioner Ressegue was reappointed to the CCC by the City Council on December 2, 2015 and will serve a term ending on December 31, 2018.

Both Commissioner Hicks and Commissioner Ressegue live outside of the city limits. In accordance with Kingman Municipal Code §2-157(f)(1)c, a maximum of two commission members may be non-city residents living within the greater Kingman area. There are no other members living outside the city limits at this time.

Currently there are no vacant positions on the CCC. However, if Commissioner Hicks is not reappointed there will be one vacancy. Also a vacancy will be created when Commissioner Carpenter moves out of the area in a few months.

I have attached two recently received Boards and Commissions applications. While neither applicant specifically mentions the CCC, they both indicate they would consider serving on any board. Both applicants live in the city and meet the minimum residency time of 50 days. If any other applications are received they will be brought to the meeting for the commission's review.

The commission may make a recommendation to the City Council concerning an appointment. Any commission appointment recommendations will be forwarded to the City Council for final approval at their regular meeting on January 5, 2016.
